CORAM: B.H.MARLAPALLE & NARESH H.PATIL,JJ.

September 12, 2006.

P.C.

. It appears that the Respondent No.3 granted registration to Bhavanimata Mahila Sahakari Vyavasaik Sanstha Ltd., a dairy co-operative society run by the women members alone by his order dated 27/10/1998. It is alleged that the State Government issued guidelines on 4/9/1998 for registration of new dairy co-operative societies and it further granted certain relaxations as per the corrigendum dated 7/10/1998. The petitioner - society as well as the respondent no.1 - society are from the same village i.e. Mouje Shengaon, Taluka Budargad and as per the petitioners it is a very small village where already three societies were functioning. The other two societies

were Shetkari Sahkari Society and Mahalaxmi Co-operative Society. In any case with the passage of time nothing further would survive if the respondent no.1-Society has already started functioning during the last about seven years or so. Even otherwise the corrigendum dated 7/10/1998 in no way appears to be relevant with the petitioner's case in asmuchas the petitioner has not pointed out that in village Shengaon at the relevant time there was already a dairy co-operative society of women members alone.

. Hence the petition is dismissed. Rule discharged but without any order as to costs.
